Costs of Advice:

Commissions:

When implementing (or brokering) a group or personal insurance product our preference is to be paid via brokerage, or commission, as this results in no direct fee payable by the client and Brendon Hampton Insurance Ltd only receives payment from an insurer if we are successful in placing business which the client is happy with.

The gross amount of commission payable to Brendon Hampton Insurance Ltd on any particular recommendation will be disclosed specifically prior to implementation of any product or plan.

As a general indicator of the range of commissions which may be paid, Brendon Hampton Insurance Ltd receives commission terms which are:

Personal & Business Insurance:

Personal Insurance Products typically range from 50% - 241.25% x the first year's premium paid by a client, with an ongoing commission typically ranging between 3%-30% of the annual premium thereafter.

Group Insurance Products typically up to 20% x the annual premium, continuing to be paid annually.

Health:

Personal Medical Insurance Products typically range from 0%-115% x the first year's premium paid by a client, with an ongoing commission typically ranging between 8%-33% of the annual premium thereafter.

KiwiSaver:

The range of upfront commissions is between \$40-\$300 per KiwiSaver account plus ongoing commission typically ranging between .15%-.50% of the Funds under Management. This commission is taken out of the fees the providers already charge and NOT on top of, if that makes sense.

Other Areas we receive remuneration:

We receive no remuneration whatsoever from ACC Made Easy & in a lot of cases we pay the service fee for the first year which currently stands at \$ 270 plus GST per entity.

If clients use Penberthy Insurance for their (Fire & General for Business or Personal residence) we receive 20% of the initial & yearly thereafter ongoing brokerage. As Financial Advisers they will Disclose to you how this is calculated as I have no knowledge of this figure & they are the experts in this area of finance.

Conflicts of Interest:

We have no financial interest in any Insurance Company.

Throughout the year I do attend Insurer-funded conferences, entertainment or functions which range in value from a cup of coffee up to subsidised Conferences which may range between \$ 800-\$1,000 per event. However, these are immaterial and engender no particular warm feelings towards any particular insurer. To ensure that I prioritise your interests above my own, I follow an advice process that ensures my recommendations are made on the basis of your individual goals and circumstances.

Should any actual or potential conflict of interest arise during any engagement with a client we will bring that to your notice promptly, and then seek to manage or avoid the conflict if at all possible. If management or avoidance of a conflict to your satisfaction is not possible then we will resign from the engagement with you and professionally assist with the appointment of a replacement and more suitable adviser.
